Technical

Instrumental quartet: Drums, Bass, Guitar, Sax
Style: Jazzy-funk/groove, mostly originals
Volume: low to medium
Location: Oakland/SF Bay Area

We have performed under a variety of outdoor/indoor conditions with various space and noise constraints. We are flexible and will work cooperatively with engineers and house managers.

Gear	Mics/inputs needed
Drum set (various sizes/kits)	any combination available; mic for kick preferred
Electric Guitar (1 X 12 combo amp, clean tone)	one SM57 or SM58
Electric Bass (1 X 12 combo amp, or 2 X 10 cab w/head)	can go direct (DI can be provided if necessary)
Sax	One SM57, or whatever is available (on occasion an amp is used with XLR output)
Talkback mic	one mic
Lighting	No special requests

Stage Plot

We can assume varied configurations, but the default is:
