### Technical

Instrumental quartet: Drums, Bass, Guitar, Keys, Sax  
Style: Jazzy-funk/groove, mostly originals  
Volume: low to medium  
Location: Oakland/SF Bay Area

We have performed under a variety of outdoor/indoor conditions with various space and noise constraints. We are flexible and will work cooperatively with engineers and house managers.

<b>Gear</b>	<b>Mics/inputs needed</b>
Drum set (various sizes/kits), often includes a subwoofer for the kick	any combination available; mic for kick preferred
Electric Guitar (1 X 12 combo amp, clean tone)	one mic
Electric Bass (head with 2 X 10 cab)	can go direct
Sax	One SM57, or whatever is available (on occasion an amp is used with XLR output)
Keys (Nord electric keyboard)	can go direct – keyboardist usually brings his own monitoring amp
Talkback mic	one mic
Lighting	No special requests

### Stage Plot

We can assume varied configurations, but the default is:
